

### **REMARKS**

Claims 3-10 are now pending in the application. The Examiner is respectfully requested to reconsider and withdraw the rejections in view of the amendments and remarks contained herein.

### **REJECTION UNDER 35 U.S.C. § 103**

Claims 1, 2 and 10 stand rejected under 35 U.S.C. § 103(a) as being unpatentable over Yamagishi (U.S. Pat. Pub. No. 2005/021706). This rejection is respectfully traversed.

It is believed that the originally filed claims are patentably distinct over this reference. However, in order to expedite prosecution of this application, claims 1 and 2 have been cancelled from the present application. In addition, claim 10 has been amended to depend from allowed claim 3, thereby placing remaining claims in condition for allowance. Accordingly, applicants respectfully request the Examiner to reconsider and withdraw this rejection.

### **CONCLUSION**

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested.

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: June 11, 2008
